

APPRENTICE MARINE PILOTS

The Great Lakes Pilotage Authority operates in the interest of safety a marine pilotage service in all Canadian waters in the Provinces of Ontario, Manitoba and in Quebec south of the northern entrance to the St. Lambert Lock.

The Great Lakes Pilotage Authority is currently recruiting eligible candidates for the following pilotage district in order to train them to become licensed marine pilots:

- **Competition number D1-202401 – International District no. 1** (waters of the St. Lawrence River between Snell Lock and Cape Vincent, New York, at the entrance to Lake Ontario and includes Kingston, Ontario).
- **Competition number LO-20241 – Lake Ontario District** (waters and the ports of Lake Ontario and the navigable waters within the limits of the Port of Churchill, Manitoba).
- **Competition number D2-202401 – International District no. 2** (waters of the Welland Canal between Port Weller and Port Colborne, Ontario, Lake Erie and the waters of the connecting channels between Lake Erie and Lake Huron).

Apprentices must successfully complete the Great Lakes Pilotage Authority apprentice pilot training program in order to be recommended by the training committee for evaluation by an examination board. An apprentice becomes a licensed pilot following successful evaluation by the Board of examiners.
